PROFESSIONAL EXPERIENCE

Senior Consultant SAP Supply Chain

PwC Switzerland | Jun 2026 - Present | Zurich, Switzerland

- SAP Supply Chain Operations Transformation with focus on SAP PP, MM, S/4HANA Public Cloud, Signavio, Cloud ALM, LeanIX and integrated toolchain topics.
- Current S/4HANA Public Cloud project in the Swiss electrification industry: 3PL / inventory management, external warehouse integration, SIT/UAT, defect management, functional specifications, change requests, test-script creation/review and Cloud ALM management.
- Support for proposals and large-scale S/4HANA business transformation pursuits for Swiss clients.

SAP Analyst

Capgemini Switzerland | Oct 2023 - May 2026 | Zurich, Switzerland

- Functional SAP S/4HANA implementation experience in PP and MM across semiconductor, construction materials and Swiss luxury watch environments.
- Demand-driven replenishment / DDMRP, Signavio process modeling and integrated transformation toolchain exposure including Cloud ALM, LeanIX and Tricentis.
- Additional responsibilities included training/certification management, learning management, technical GenAI champion activities, S-user administration, onboarding and university career-fair representation.
- Contributed to RFP and presales proposal decks for SAP opportunities.

EARLIER ERP EXPERIENCE

Dual Student - Microsoft Dynamics NAV / 365 Business Central

Goodyear Tires | Aug 2020 - Oct 2023 | Cologne, Germany

- Developed and rolled out ERP functionality for Tiresoft based on Microsoft Dynamics NAV / Business Central; provided third-level support for tire dealers across the DACH region.
