

Business English for Consultants

Practical phrases for workshops, meetings, clarification and stakeholder communication.

Opening a meeting

- Thanks everyone for joining.
- The objective for today is to ...
- By the end of this session, we would like to agree on ...

Clarifying

- Could you walk me through the current process?
- Just to make sure I understood correctly ...
- What would be the business impact if we changed this step?

Challenging constructively

- One concern I have is ...
- Have we considered the impact on ...?
- An alternative approach could be ...

Summarising

- Let me summarise the key decisions.
- The open points are ...
- The next step is for us to ...

Workshop habit

Use short, explicit signposting. Separate facts, assumptions, decisions and open points. Confirm ownership and due dates before closing.
